

STONE MAINTENANCE

BRILL-NET

Description: WATER BASED DETERGENT FOR PROTECTING AND POLISHING

Recommended Use-

FOR ALL POLISHED MARBLE, GRANITE, NATURAL AND QUARTZ ENGINEERED STONE AND PORCELAIN FLOOR SURFACES.

- Ready to use Domestic or Commercial light daily maintenance
- Suitable for use in food preparation areas.
- Formulated detergent polish that cleans and polishes in one operation.

Properties

Brightening detergent neutral composition suitable for routine cleaning of any type of surface, NOT FOAMY.

NET-BRILL cleans effectively without affecting in any way the surfaces and without leaving residues or halos.

In addition to cleaning, our product performs an action revitalizing and protective, due to presence in the formulation of specific components. BRILL-NET acts in a gentle cleaning of polished marble or brushed, does not attack the surface and in the same time releases micro-particles, in order to make more brightening surface and protect against the absorption of dirt in general.

APPLICATION:

ALWAYS Test small area

BRILL-NET can be used with manual accessories, like: mop - Cloth cotton mop or with floor cleaning machines with accessories appropriate.

For use with floor cleaning machines, dilute BRILL-NET in the water, using a 3-5% dosage, by pouring directly into the tank water.

While for manual use, dilute with water 5-10%

To top kitchen and bathroom floors, use the product undiluted with cotton cloth.

NOTE: The product does not foam and does not require rinsing

Important Safety Note

Use appropriate gloves in case of sensitive skin.

Keep product well closed and out of reach of children.
