

STONE CLEANING - SOLVENT BASED

STAIN ERASER

DESCRIPTION: SOLVENT BASED OIL AND GREASE STAIN REMOVER

RECOMMENDED USE:

SUITABLE FOR POLISHED AND HONED MARBLE, GRANITE, NATURAL AND ENGINEERED STONE, TERRAZZO, TERRACOTTA, QUARRY, FLAGSTONE, CONCRETE.

- For interior and exterior surfaces
- Effective for Flooring , Fireplaces , Bathrooms, Kitchens . Work , Bar and Table Tops.
- Domestic and Commercial use
- Effective removal of oil and grease dirt – stains.

PROPERTIES:

STAIN ERASER is a liquid paste with a mixture of additives which dissolve and absorb oil and grease and dirt residue and stains. STAIN ERASER shelf life approximately 2 to 3 months from supply to usage. Once bottle top opened product must be used within 24 to 48 hours to achieve maximum effect. If necessary mix Solvent Stripper with product if paste drying out to bring back liquid effect for usage.

APPLICATION:

First remove or wipe away any general soiling/surface dirt.
Agitate –Shake solution in bottle before use.
Apply thick (1 - 2 Cm) solution undiluted STAIN ERASER directly onto the stain. Allow solution to remain in contact with stained area for approx. 2 to 3 hours. Remove when dry residue using a clean damp cloth.
Repeat this operation until stains removed completely.
If any STAIN ERASER residue remains we recommend using “**Master Clean**” detergent as final clean.(See technical data sheet details).

Anti Stain Treatment: We recommend protecting stain sensitive surfaces with PLATINUM SOLVENT or STAIN GUARD anti stain solution and regular maintenance with “Stone Clean” detergent.

Important Safety Note

Use appropriate gloves in case of sensitive skin. Keep product well closed and out of reach of children. Additional information available on Material Safety Data Sheet.

STORE:

Dry surroundings above + 0°C

COVERAGE:

This is not possible to advise .Each situation and stain absorbed will vary according to different porosity, type of stone and surface finish.

Packaging:

10 x 250 ml
All childproof tamper evident cap
