

PLATINUM EDGE

SELF-POLISHING LIQUID FOR MARBLE AND GRANITE

DESCRIPTION

Self-polishing and color intensifying liquid for marble, granite, marble/concrete, marble/resin, limestone. It forms a very shiny and transparent, non-yellowing, thin plastic film that does not crack.

The particular composition of PLATINUM EDGE allows it to dry quickly so as to facilitate subsequent processing.

The product is suitable for use on corners, edges and surfaces that are difficult to reach to revive them and give them shine.

YIELD

The yield varies from 15 to 30 m² of surface with 1 L of product.

APPLICATION

Ready to use product, it can be applied with brush, rag, pad, roller, on the surface to be polished, leaving it to dry for 10-15 minutes.

In the case of porous surfaces it is possible to carry out further applications within a few minutes one from the other.

We do not recommend the application on plastic, linoleum, laminates and plastics in general.

ALWAYS CARRY OUT TESTS BEFORE USE

Anyone, before use, needs to know the characteristics of our products by reading the label affixed to each package, the technical data sheet and the safety data sheet compliant with Regulation (EC) 1272/2008 (CLP) (and subsequent amendments and adjustments) and of Regulation (EU) 2015/830, or eventually by contacting us directly. However, we recommend to strictly follow the instructions given or received.

We also recommend to carry out a preventive sampling to detect any unexpected results with respect to the method of application or the quality of the result. Keep the package well sealed and out of the reach of children. Aerate the working environment well during and also after the application of the product.

Do not eat or drink when using this product.

RECOMMENDATIONS

Do not apply on damp substrates or those with previous treatments.

The product cannot stand freezing, store it in well-closed and well-protected places, at a temperature not lower than 10 °C.

Always protect yourself with mask, gloves and protective clothing.

NOTE

Our indications and technical advice, both given by voice or in writing, refer to our personal best knowledge and do not include any guarantee against third parties.

We kindly invite you to adapt our products to your needs and working conditions: methods of use and processing techniques are exclusively under the responsibility of the buyer.

As far as we are concerned, we guarantee constant quality in our supplies within our general conditions of sale. Should you verify our liability for any type of damage, the liability is limited solely and exclusively to the value of the goods supplied by us and used by you.
